Internet & Cell Phones:

The Cell reception at Gateway 2 Ranch is spotty at best, however, we have Star Link Internet so FaceTime, Whats App, Line etc. will work without issue. There is also a land-line phone at the Guest House with free calling to most countries. We suggest limiting your time on devices, however, to improve the experience.

Accommodations:

Private rooms are typical; shared rooms may be required when a retreat is fully booked. We will show you around when you arrive and you can choose.

*There are no stores nearby so be sure to bring all of the personal items you might need for your stay as the days are full and we will only provide emergency transportation into Kamloops which is more than a 30 minute drive away.

Please provide any special dietary requests before you arrive. We mostly serve organic and free-range meats, fish, eggs, dairy and vegetables.
